Do not, and I mean DO NOT, read this book straight through from beginning to end. These pages contain many different adventures. From time to time, as you read along, you will be asked to make a choice. Your choices may lead you to success or disaster! The adventures you have will be directly related to the choices YOU make. After you make each choice, follow the instructions to see what will happen to you next. Good luck! Oh, and don't come running to me if your choice leads you to disaster...you chose...I didn't!
