

SPELLING BUREAU OF AMERICA

At times companies purposely misspell words in their advertisements!
(The nerve of those people!) They do this for many reasons:

1. To get your attention
2. For humorous reasons
3. To fit with a wording pattern
4. For miscellaneous reasons

YOU...have been assigned by the S.B.A...Spelling Bureau of America...to be on the lookout for such companies and ads. You may find them on billboards, in magazine and newspaper ads, or even on television. It is your responsibility to report such findings to your supervisor so that such "bad spellings" can be dealt with properly!

You **MUST** take your positions seriously! No one should be able to get away with such "BAD SPELLING"! Their exact location **MUST** be pinpointed...along with the correct spelling...in order for the S.B.A. to get out there and fix those errors!

Please begin your investigation immediately! We must each locate 10 errors in order to begin making even a dent in this terrible problem!
